R.R. No. 22
Dated 20 APR 1942

Sir,

I, the undersigned Assistant Draftsman, employed in the Executive Engineer, Kanara Division's office - , respectfully beg to inform you that I am due for retirement on the 19th of August 1942, when I will be completing the prescribed age limit of 55 years.

2. I was entertained as an Assistant Draftsman on the regular temporary establishment in the late Dharwar Irrigation Division on 7-9-1921 and after abolition of that Division in November 1930 I was transferred to the Kanara Division, where I am working since then. During my total service of 21 years I had an opportunity of acting as an officiating draftsman several times. The longest officiating period being 8 months and 23 days in the year 1928 and 7 months and 25 days in the year 1932. During these periods I have performed my duties to the entire satisfaction of my immediate superiors. As regards my conduct and practical and theoratical knowledge of draftsman's work and etc. the qualification reports that are sent from this office every year will speak for themselves. I was strongly recommended twice for the post of a permanent draftsman once in the year 1928 and then in the year 1932 by the then Executive Engineers of the Divisions, but unfortunately this did not meet with success as I did not possess the qualifications as laid down in G.R.No.891/27, dated 22-8-1928.

3. Prior to joining the late Dharwar Irrigation Division, I have worked for about 9 years in the Chief Engineer's office, M & S.M.Railway, Madras, in the capacity of a draftsman. A copy of the certificate granted by the Chief Engineer is enclosed for favour of perusal.

4. I have a large family consisting of 6 children and other dependents. I have no other sources of income except the present service. Owing to the prolonged sickness of well over 3½ years of my wife, who ultimately expired, I had to borrow large sums of amount to defray the heavy medical bills and other miscellaneous charges. This I have yet to pay. I have also to perform immediately the - marriages of my two grown up daughters, which means an appreciably large expenditure. The repairs of my two houses in Dharwar, which had remained vacant since my transfer from that place to Karwar and which are now totally in a dilapidated condition and are not fit for occupation unless repaired thoroughly require quite a large amount. All these will take away practically the whole of the Provident Fund amount saved by me and leave me practi-cally penniless.

5. Since I will be left in indigent circumstances after my retirement having put in 21 years faithful and ~~otherwise~~ service in this Department, I will have no ~~Government by way of~~ income for my maintenance except help from ~~pens~~ion.

6. I, therefore, earnestly pra~~y~~ ~~if I am~~ good enough to recommend for the grant of pens~~ion~~ will be will be the only hope of my maintenance in my old age.

For which act of kindness I shall as in duty bound ever remain grateful.

I beg to remain,
Sir,
Your most obedient serv~~ant~~.

K a r w a r,
16th April 1942.

N.A.Talegaon~~kar~~ Draftsman
